

[Class #203: “Mastering Mobile PHOTOGRAPHY” - BEGINNER TUTORIAL & OUTDOOR PHOTO SHOOT](#)

This new, iPhone photography, 2-day program, will focus on exploring the features of the powerful, iPhone camera! You will also have one-on-one instruction, group feedback, and learn/explore the following:

- 1- Basic iPhone camera tools and techniques
- 2- Learn to download apps
- 3- Learn photo filtering techniques via several popular iPhone photo apps
- 4- Learn basics of color, mood and composition
- 5- Learn post processing of photographs
- 6- A guided, outdoor 1-hour photo shoot at Venice Beach and fishing pier.

iPhone Program/Photo Shoot Requirements:

-- Participants should know how to use their iPhone Apple account (need to set-up an account username, password) and the Apple App store.

-- It is also strongly recommended that you have a fully charged iPhone, and have an Apple IOS 10 (operating system), or the newest IOS 11.4 software version on your iPhone.
