

[Class # 204: “Mastering iPhone Artistry”-Intermediate TUTORIAL & OUTDOOR PHOTO SHOOT](#)

This new, “The Art of iPhone Photography”-Intermediate Tutorial & Outdoor Photo Shoot, 2-day program, will go beyond the iPhone basics. This program will focus on iPhoneographers interested in evolving their own style and, more effectively telling a story with your imagery. You will also have one-on-one instruction, group feedback, and learn/explore the following:

- 1- Explore diverse subject matter and a variety of photographic styles and techniques (e.g. conceptual, realistic portraiture, abstracts, street captures, landscapes, still life, etc.)
- 2- We will also work with a variety of photo filtering techniques via popular iPhone photo apps.
- 3- A guided, outdoor 1-hour photo shoot at Venice Beach and fishing pier, utilizing the styles and techniques presented in the tutorial.

iPhone Program/Photo Shoot Requirements:

--Participants will need to be familiar with how the iPhone camera operates, and a least several iPhone photo editing concepts (on the iPhone and computer).

-- Participants should know how to use their iPhone Apple account (need to set-up an account username, password) and the Apple App store.

-- It is also strongly recommended that you have a fully charged iPhone, and have an Apple IOS 10 (operating system), or the newest IOS 12.3.1 software version on your iPhone.
